## Caerus Couriers

Letters, lightweight goods and documents are important and require speedy delivery. At Caerus Couriers, we have identified such needs and thus, have customised services. We offer two wings with different parameters.

## International Courier

## CAERUS Docs

Documents are a valuable piece of information and ensuring they securely reach on time is our responsibility. We are always ready at your service to provide tools that help you pack, monitor and track your documents. Our solutions are designed to meet all your document shipping needs.

## CAERUS Premium

When it's urgent you can go premium. Caerus helps you step-by-step to get your parcel on the fastest delivery routes. If a safe, solid and reliable delivery partner is what you are looking for then we are here with our comprehensive range of solutions to all your courier problems. Be it delivery of documents, non-documents or any type of parcels, for us, every courier counts.

## CAERUS Go

Everything might be getting expensive, but delivery services is where you can save your money. You can count on Caerus Go for delivering your courier in any corner of the world at an affordable price. Even when delivering a small item, Caerus functions with utmost dedication and safety. Our excellent process and pricing are simple and economical. We can guarantee that your couriers get delivered till the end with perfect delivery solutions.

## Domestic Courier

At Caerus, we provide point to point service so that you're at peace whilst working. Our aim is to carry out secure deliveries through a team of highly skilled people and ensuring it reaches on time. We have widened our network in such a way that we cover routes of every nooks and corner of India.
